EXPERIENCE

CISCO SYSTEMS | SWE Summer Intern'24

Bangalore, India | June 2024 - July 2024

- **Enhanced Bugs Analytics Dashboard** for FMC by adding a version 7.7.0 and version agnostic section, **utilizing shell scripts, MySQL, and Metabase** to automate data querying and visualization, resulting in improved bug tracking and management.
- **Consolidated Upgrade Scripts:** Merged 2 separate scripts for upgrading the FMC in **Stand Alone** and **High Availability** modes into a single, streamlined dual upgrade script, enhancing the control flow and updating test cases for new configurations.

REWORK.AI | FullStack Developer (MERN)

August 2023 - December 2023

- Transformed **10+ Figma designs** and also developed authorized-access **Admin Dashboards** facilitating **analytical insights**, and enabling flexible **CRUD** operations. [\[Live Prototype \]](#)

PROJECTS

SPEAKINDIA | Live (Beta Phase) | Github | MERN Stack

April 2024 - May 2024

- Developed an **Event Management Platform** for managing college debate events, **empowering individuals to navigate conversations with clarity and conviction**.
- Defined and **managed various user roles** (admin, coadmin, expert, host, cohost, user) with corresponding **interactive dashboards**.
- **Incorporated comprehensive analytics and filters** for event management, participant tracking, ratings, and reviews, enhancing user experience and event organization.
- **Implemented role application and approval workflows** allowing users to apply for **host** and **expert roles**, and **for admins to review** and manage these applications.

OS LAB SIMULATOR | Live | Github | MERN Stack

Sept 2023 - Jan 2024

- Developed an interactive simulator for visualizing CPU scheduling algorithms (FCFS, SJF, SRJF, Priority, RR) with **step-by-step animated processes** and comprehensive documentation and **detailed Gantt charts, TAT & WT pie charts**.
- **Enhanced educational impact** by providing a user-friendly **interface for simulating complex processes**, aiding in the understanding as well as application of theoretical concepts.
